INTERNATIONAL SCIENTIFIC AND TECHNICAL CONFERENCE

«Materials, Equipment
and Resource-Saving
Technologies»

**April 27-28, 2017
Mogilev, Belarus**

ABOUT THE CONFERENCE

The Organizing Committee of the International Scientific and Technical Conference "Materials, Equipment and Resource-Saving Technologies" informs that the conference is scheduled to be held on April 27–28, 2017 at the BELARUSIAN-RUSSIAN UNIVERSITY.

We are delighted to welcome scientists to our Conference which will cover a range of topics to be discussed in the following sessions:

- 1) technology and equipment of machine building industry, automation of technological processes and production;
- 2) science of machines, machine elements and applied mechanics;
- 3) technologies of manufacturing new materials and coatings;
- 4) welding, the related processes and technologies;
- 5) transport and technological machines;
- 6) design, manufacture and operation of motor transport;
- 7) advanced technologies, structures and materials used in construction;
- 8) control and diagnostics of industrial facilities and the environment;
- 9) automation, electric drive and electrical equipment;
- 10) development of industrial enterprises: economics, finance and innovations.

Conference working languages are Russian, Belarusian and English.

The Organizing Committee reserves the right of final decision on inclusion of abstracts in the Conference program.

SUBMISSION OF ABSTRACTS

To participate in the Conference, the author(s) must submit electronically the following materials to the electronic address of the Organizing Committee (bru.konf@mail.ru) before April 13, 2017 (far abroad participants):

- an electronic version of the abstract of the paper;
- application for participation

The author bears full responsibility for the content of materials presented in the abstract.

The Proceedings of the International Scientific and Technical Conference "Materials, Equipment and Resource-Saving Technologies" are scheduled to be published by the beginning of the Conference.

REQUIREMENTS TO THE SUBMITTED MATERIALS

Abstracts must be made in the Microsoft Word editor.

Abstracts should not exceed two full pages (A4 size, 210 x 297 mm).

Margins are 25 mm all around.

Times New Roman font, size 14 pt.

Line spacing - single.

10 mm paragraph indent.

Formulas must be typed in the Microsoft Equation Editor, included in Microsoft Office Word and shall be center-justified; formulae numbers are right-justified.

Ensure that numbers are assigned to only those formulas, which are referenced in the text.

Graphic materials (figures and photographs) shall be interposed in the text of the abstract. Figures and tables must be placed in the text after the first mention of the corresponding figure or table. (Figure 1. Title, Table 1. Title).

The abstract title, centered with no indentation, is typed in capital letters and should not be longer than two lines with no hyphenation and no point at the end. One blank line is left between the abstract title and the initials and last name of the author(s). The next line gives the full name of the educational institution (enterprise, organization) and further below the city and country are specified. Leave one blank line before the abstract text which must have a first line indent.

APPLICATION LETTER

for participation in the International Scientific and Technical Conference "Materials, Equipment and Resource-Saving Technologies"

1. Organization.
2. Full name of the author(s): surname, name and patronymic.
3. Academic degree, academic rank, position.
4. Title of the paper.
5. Scientific area (number and name of the session).
