Inter-State Educational
Institution of Higher Education

Belarusian-Russian University

Faculty of Automotive Engineering

Speciality:

Oil and Gas Engineering

Concentration:

Operation and Maintenance of Transport and Storage Facilities for Oil, Gas and Refined Products

www.bru.by

Employment Destinations:

- Gas pipeline transportation enterprises
- Organizations operating compressor stations and gas cooling stations
- Enterprises for reception, storage, and shipment of oil and petroleum products
- Organizations operating petroleum product mainline pumping stations

Job Titles:

- Pipeline Engineer
- Oil Pumping and Compressor Station Operations Specialist
- Compressor and Gas Cooling Station Operations Specialist
- Oil and Petroleum Products Receipt, Storage and Distribution Specialist
- Petroleum Product Pump Station Operations Specialist
- Petroleum Refinery Process Engineer
- Gas Equipment Operation Foreman

Our Partners:

Faculty of Automotive Engineering

Speciality:

Oil and Gas Engineering

Concentration:

Operation and Maintenance of Transport and Storage Facilities for Oil, Gas and Refined Products

Degree:

Bachelor

Core Disciplines:

- Economics and Management of Oil and Gas Production
- Oil and Gas Conditioning and Processing for Transport
- Oil and Gas Process Equipment
- Fundamentals of Oil and Gas Well Construction
- Operation of Oil and Gas Transportation and Storage Facilities
- Gas Distribution and Operation of Gas Distribution Stations

Professional Competencies and Knowledge:

- Organization of compressor station operations
- Gas and oil equipment diagnostics
- Organization of oil tank maintenance and repair
- 3D modeling of pipelines and equipment
- Design of oil pumping station sections
- Management of maintenance and repair processes for gas and oil equipment

Language of Instruction	Russian
Entrance Examinations	Russian language proficiency interview
Tuition Fee	\$2600 per year
Dormitory	Provided (\$30–35 per month))
Duration of Study	4 years
Diploma	Russian Federation
Admission Procedure
